The 2017
Tim Kerin Memorial Awards Luncheon

March 11, 2017
Crowne Plaza Ravinia Hotel
Atlanta, GA
SEATA HONORS & AWARDS

Hall of Fame: The Southeast Athletic Trainers’ Association Hall of Fame honors those members who have distinguished themselves through personal sacrifice, consummate professionalism and exceptional contributions. Each of these exemplary certified athletic trainers has worked or lived in District IX for 15 years and served their profession with distinction for more than 20 years. Service to SEATA is the primary consideration and reflects a lifetime of selfless devotion to the association through volunteer service, leadership, advocacy and professional activities. SEATA is deeply indebted to these Hall of Fame inductees for their legacy of dedicated service that is inspirational in advancing the ideals and standards of our noble profession. Investiture into the Hall of Fame is the most prestigious and ultimate tribute bestowed on distinguished athletic trainers by the Southeast Athletic Trainers’ Association.

Most Distinguished Athletic Trainer: The SEATA Most Distinguished Athletic Trainer Award is designed to recognize and honor those members of our District who have served and demonstrated outstanding and unusual service to SEATA and the profession of Athletic Training

Chuck Kimmel Award of Merit: One of the highest awards given to a member of the Southeast Athletic Trainers’ Association. Its purpose is to recognize the person that has worked for the District on a national level. It is a way to distinguish one who has brought honor and recognition to the District. A distinction reserved for the most able of professionals in the field of athletic training. The SEATA Executive Board renamed the SEATA Award of Merit to the Chuck Kimmel Award of Merit on January 30, 2008 to honor Chuck Kimmel for his many contributions to the profession of athletic training through his work in SEATA and the NATA.

Jack C. Hughston, M.D. Sportsmedicine Person of the Year: This award is given to a person who may not be an athletic trainer and is designed to show the district’s appreciation for particular contributions to the field of athletic training in the southeast. This award was renamed in honor of Dr. Jack C. Hughston, M.D. by the SEATA Executive Board in December 2004.

R.T. Floyd District Award: There are many people who serve SEATA very well. It is dedicated to the person who has given of himself or herself to promote, lead, and work for the District. They may not have served on a national level but have made significant contributions on the district level. In March 2015 the SEATA Executive Board renamed this award to the R.T. Floyd District Award to recognize R.T. Floyd for his outstanding contributions to SEATA and the athletic training profession.

Backbone Award: One of the first awards given by SEATA. It is designed to recognize an assistant athletic trainer that has played a major role as backbone to the Head Athletic Trainer. This award is for the person working in the trenches day to day for whatever is needed in the athletic training room, the true professional. A cash award goes to this recipient.

High School Athletic Trainer Award: This is an opportunity to recognize someone in the District on the secondary school level. This honoree has made a major impact on their communities and institution. Many of these people may not have had their chance to serve on the District or National levels. However, their importance has been seen in the state and communities where they reside. They have contributed to the growth and awareness of the profession of athletic training. A cash award goes to this recipient.

College / University Athletic Trainer Award: This award will recognize an athletic trainer at the college / university level for service to the institution, the community, as well as SEATA. This person serves many functions in addition to athletic training.

Clinic / Industrial / Corporate Athletic Trainer Award: We will honor an athletic trainer that has represented our profession well in a clinic, industrial or corporate environment. This venue of service enlightens the public to the many benefits that athletic trainers bring to their communities.

Professional Athletic Trainer Award: This honor will recognize an athletic trainer associated with a professional sports team in our district. This recipient will be an athletic trainer involved in professional sports that represents our profession well and makes athletic training more visible.

Education/Administration Award: Many athletic trainers serve as educators or in administrative positions. This award is given to a member that is committed to teaching athletic training skills and functioning in a leadership capacity at an institution.

Sponsors Award: SEATA is very appreciative of our many friends that have supported athletic trainers through the years. We honor those who have made an impact on our organization through their contributions.

District IX Young Professionals’ Distinction Award: This award recognizes a District IX young professional athletic trainer that has positively impacted the athletic training profession at the state and district level. This award is unique to District IX young professionals and explores the depth and breadth of character, service and professionalism.

To nominate a member for a SEATA Award, go to http://www.seata.org/H&A-Nomination-Form
To apply for a SEATA Scholarship go to http://www.seata.org/SEATA-Scholarship-Information

The Southeast Athletic Trainers’ Association (SEATA) is District IX of the National Athletic Trainers’ Association. It is a not-for-profit organization dealing with the concerns of its members and the profession of athletic training as a whole. This association was first started back in 1950. Initially comprised of the members of the Southeastern Conference schools, this district is represented by Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, Tennessee, Puerto Rico, and the Virgin Islands.
The 2017 Tim Kerin Memorial Awards Luncheon

The Tim Kerin Memorial Awards Luncheon was established to honor longtime University of Tennessee Athletic Trainer Tim Kerin for his dedication and service to the Southeast Athletic Trainers’ Association. From its inception until his untimely death, Tim served as Chairman of the SEATA Honors and Awards Committee. He established the awards, which included the Award of Merit, Sportsmedicine Person of the Year, District Award and Backbone Award. His love for athletic trainers has made SEATA’s Honors and Awards Program what it is today. Gatorade has supported the Awards ceremony generously over the years as a result of its relationship with Tim Kerin.

Nick Pappas has enjoyed the experience of forty-six years in athletic training. Currently, in addition to his duties on the athletic training staff at Florida State University, he is an adjunct instructor in the athletic training curriculum.

He has been active with state and national associations working to improve the athletic training profession. Nick was the first president of the Georgia Athletic Trainers Association after serving as chair of the Executive Committee, authoring the organization’s charter constitution and by-laws. Serving as Chair of Governmental Affairs and Strategic Planning for the Tennessee Athletic Trainers Society, he represented their professional interests in the Legislature, and had a major role in the revision of the state practice act. Nick made significant contributions in the reimbursement setting in Tennessee, crafting the strategy to lobby Blue Cross/Blue Shield, which resulted in the insurance giant changing its policy and procedures to recognize certified athletic trainers as allied healthcare providers in Tennessee.

During two terms as President of the Tennessee Athletic Trainers Society, he sat on the SEATA Executive Board, working on and chairing several committees which oversaw a major revision of the SEATA Constitution and By-Laws as well as the development of the SEATA Mission and Vision Statements. In September, 2005, he was elected to the Executive Board of the Athletic Trainers Association of Florida, serving as Panhandle Area representative. In addition, he served as SEATA Parliamentarian in 2006 -2007.

Appointed in 2013 by the Governor to the Florida Board of Athletic Training and serving as its chair, Nick continues meet with state officials, legislators and others to educate, promote and to protect the athletic training profession.

Recognized for his dedication and efforts numerous times, in January, 1992 he was named as the Clinical/Professional Athletic Trainer of the Year by TATS. In 1996, he was one of fifteen individuals chosen as the first recipients of the NATA’s Athletic Trainer Service Award. In March, 2000, SEATA bestowed the District Award for outstanding contributions and service with distinction to the profession. In January, 2006 Nick was inducted into the TATS Hall of Fame. He was honored as the 2007 recipient of the Presidents’ Award of Merit given by the TATS. Nick received the ATAF President’s Award in July, 2015 for his work on their legislative taskforce as chair and principal author of legislation that revised the Florida athletic training practice act. He was inducted into the NATA Hall of Fame in June, 2012. And, in 2016, he was the recipient of the NATA’s William T. Griffin Award for Outstanding Leadership in Legislative Advocacy.
Tom Simmons began his athletic training career in 1957 as a student athletic trainer at the University of Detroit. In 1961 he became an assistant athletic trainer at the United State Military Academy at West Point. In 1962 he returned to the University of Detroit as an assistant athletic trainer and during that time was Assistant Athletic Trainer with the Detroit Lions. In 1963 he became Head Athletic Trainer at the University of Detroit and also worked with the Detroit Pistons of the NBA. In 1964 he accepted the head athletic trainer position at Murray State University and remained in that position until his retirement from the athletic training room in 1993. He taught for two more years until his retirement.

Tom was a charter member of the Southeast Athletic Trainer Association, the Kentucky Athletic Trainer’s Society and the Ohio Valley Conference Athletic Trainers Association.

In 1990 he was accorded the highest honor Murray State Athletics can bestow when he was inducted into the MSU Athletic Hall of Fame. In 1993, he was awarded the SEATA District Award and in 1997 he received the NATA Athletic Trainer Service Award. He was a member of the National Athletic Trainers’ Association since 1993.

In October 1994, Murray State dedicated the Tom Simmons Athletic Training Room to honor the man who brought athletic training to Murray State.

Tom was always an active teacher and proponent of athletic training and was instrumental, along with other athletic trainers in the state at that time, in the development and passage of Kentucky’s athletic training legislation in the early 1970’s. This leadership has been valued by athletic trainers from the local to the national level.
Mike Wilkinson

Mike was born in Hawaii but raised entirely in the South. He went to high school on the Mississippi coast and attended and graduated Tulane University in 1978 under HOF Athletic trainer Bubba Porche. He began his “certified” career in Texas as a High School athletic trainer the following year. While there, he received his Masters degree at Lamar University in Health Education. After seven years in the high school setting, he accepted the challenge to start a high school athletic trainer outreach program under Dr. David Drez in Lake Charles, LA. He was later promoted to Research Director for Dr. Drez’s educational residency and fellowship programs in his Clinic.

In 1989, he returned to Mississippi as Outreach Director at Mississippi Sports Medicine and Orthopaedic Center. He worked tirelessly in 1991 to help lobby the State AT Law which passed on the first attempt with only three “nay” votes out of both houses. He has served the MATA on the Executive Board for three terms in two different positions. Additionally, he served on several State and SEATA Committees.

On the national level, he served on the NATA Foundation Board of Directors and on the NATA Political Action Committee Board of Directors, both for two terms each. While on the Foundation Board, District Nine led all districts in financial collections four out of six years and on the PAC Board, SEATA led all districts for every year of his four year representation.

After many years of volunteer service to the USOC, Mike was selected as part of the United States Medical team for the 2000 Summer Olympic Games. That followed his two week evaluation at the USOC Training Center. He was then selected for assignments for the Summer World University games in Fukuoka, Japan, Summer Goodwill Games in NYC, Pan American Games in Winnipeg, Canada and finally the Summer Olympic Games in Sydney, Australia.

He has been selected as the National Federation of High Schools (NFHS) National Distinguished Contributor Award (only one given annually), he was inducted into the MATA Hall of Fame and selected for the Mississippi Association of Coaches Hall of Fame. He has received the NATA Athletic Trainer Service Award, NATA Foundations’ Lifetime Contribution Award, SEATA R.T. Floyd District Award, SEATA Chuck Kimmel Award of Merit, and the SEATA Most Distinguished Athletic Trainer Award.

Mike has been married for 38 years to his wife Barbara, and has three girls; Maury Hallman, Amy Larson and Megan Wilkinson.
